IF YOU HAVE QUESTIONS REGARDING YOUR EXAM PREP, PLEASE CALL THE CENTER 503.399.1262

ULTRASOUND GUIDED BREAST BIOPSY

Please contact the Women's Imaging Center at Salem Radiology Consultants 503.399.1262 if any of the following apply to you:

- You are currently taking prescription anti-coagulation medication such as Coumadin, Heparin or Teclid or have bleeding problems.
- You are allergic to numbing medications
- You have special needs we should be aware of.

The Women's Imaging Center recommends that patients wear a tight fitting bra or sports bra following the procedure for additional support and to aid in the healing process.

SONOHYSTOGRAM

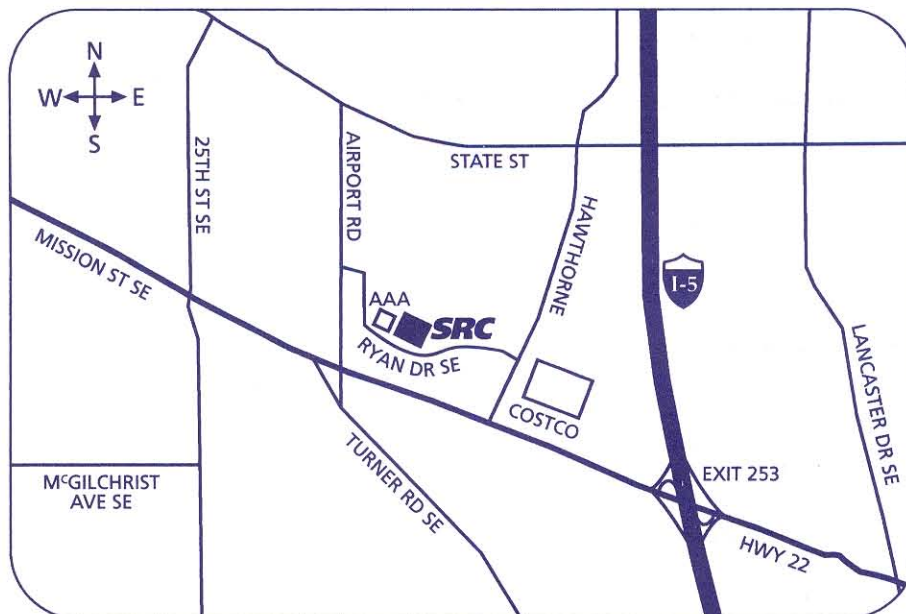

Post menopausal women, no preparation is necessary.

Women of child bearing age must be scheduled within the first 14 days of the menstrual cycle. If menstruation conflicts with your scheduled appointment, please contact the Women's Imaging Center at Salem Radiology Consultants and we will provide you with a new appointment date & time.

MRI

Remove jewelry, eye make-up, wear loose fitting clothing with no metal. Sports bras without metal can be worn.
