

"PROVIDING A WINDOW INTO
THE HUMAN BODY... THROUGH
OUR ADVANCED IMAGING CENTERS"

Integrated Ordering & Radiology Reporting

Imagine practicing medicine where you can use your own EMR system to create a radiology order and have a copy of the finalized electronic radiology report automatically filed in your NextGen electronic medical record.

NextGen®

Now You No Longer Have To Imagine...

Salem Radiology Consultants in partnership with NextGen and the Mid-Valley IPA have integrated the process of electronic ordering and reporting for radiology exams.
